WE ARE IN 2053, ON A FUTURISTIC EARTH. SEVERAL CONFLICTS TOOK PLACE IN THE LAST 20 YEARS. BUT LATELY DIPLOMATIC ALLIANCES THAT ARE COLLECTED AND MAINTAINED A PEACEABLE PEACE.

STILL IN 2053, TWO WEEKS AFTER OUTBREAK, DRAGON AND WEED ARE NOW PARTIES TO THE SAILING SHIPS WITH THEIR NEW AND OLD ALLIES ON A MISSION TO LOCATE THE TERRORIST CALLED "WHITE MASK". DRAGON, WEED AND THEIR ALLIES WILL SOON BE FACING NEW ENEMIES: THE FALLEN.

A UNIT OF NEW SYNCHRONIZED AND SAWN OLD MEMBERS IS CREATED

THE DUO WILL ALSO ELIMINATE THE "THE FALLEN" GROUP AND TO DISCOVER THE PLANS OF THE WHITE MASK.

Author's notes: Dragon and Weed Origins is an amateur series created by a fan for fans. You are free to redistribute the chapters, but for free.

The style proposed in this new part (Season 2) between Chapters 30 and 73 are adapted version of BD-Video.
So you can still see the evolution of the graphic style throughout the story.

Finally I thank the broadcast partners (English speakers and French), as well as the official translator of the series. Gise DAUPLAIS!

Good read, AxelTheta.
